Sir,

In continuation to this office letter No. MCI-37(1)(RI-60)/2013-Med./10663, dated 29/05/2013, I am directed to convey the approval of Board of Governors of Medical Council of India for renewal of permission for admission of 3rd Batch of MBBS students against the increased intake i.e. from 150 to 250 at Sri Ramachandra Medical College & Research Institute, Chennai for the academic year 2013-14. The Board of Governors has granted approval after consideration of the Assessment report dated 19th & 20th March, 2013 submitted to Board of Governors of Medical Council of India. The Permission is, however, subject to the condition that admission process may be completed as per time schedule prescribed in the Regulations of Medical Council of India.

In addition to above, this is further to inform you that while making admissions of your college to MBBS course it shall be ensured that:

(i) No admission is permitted beyond the sanctioned intake capacity;

(iii) No admission is permitted beyond the cut-off date.

It shall be incumbent upon the Medical College that the information relating to admissions should be submitted within a fortnight of closure of admissions to the Council. Any failure to submit the information within this time limit would be construed that the admissions in the College were not in accordance with the statutory requirements, thereby enabling the Council to proceed in accordance with law against the College.

I am further directed to inform that you and your institution are fully responsible to fulfill and maintain norms including the infrastructure both physical and human resource, teaching

In case false/wrong declaration or fabricated documents have been used for procuring permission of the Board of Governors for the increased intake and the said misconduct is brought to notice or comes to the knowledge of MCI at any stage during the current academic year, your institution is not liable to be considered for renewal of permission against increased intake for the next academic year and this renewal of permission against the increased intake is also liable to be revoked for current academic year. Besides, MCI is entitled to take all such measures against you and your college/institution as permissible under the law.

PRIYADARSHI THAKUR,
Jt. Secy.
IT has been decided that whereas there may be no objection to the use of the word 'University' by institutions deemed to be university, it will, however, be necessary, for the general information of the public, that universities created under executive charter are distinguished from universities established by the legislature. It has, therefore, been decided that all the universities whether Central, State or Deemed, must mandatorily distinguish themselves by incorporating the appropriate information under their name / nomenclature in the following format:

(i) For Institutions Deemed University: (established under Section 3 of the UGC Act, 1956 vide Notification No. .................. of the Government of India) (ii) For Central or State Universities:- (established by State legislature / Parliament by notification No. ............ of year ...........)

Corrigendum

This has reference to UGC notification No. F. 6-1(II)/2006 (CPP-I) dated 13th September, 2006 (Copy enclosed). The following corrections / modifications have been made in the said notification:

The term ‘established’ is replaced by ‘declared’

(i) For Institutions Deemed Universities: (declared as Deemed-to-be-University under Section 3 of the UGC Act, 1956)

The term ‘notification’ is replaced by ‘Act’

(ii) For Central or State Universities: (Established by State legislature / Parliament by Act No. ———— of year ————)

The use of the word ‘University’ by ‘Deemed-to-be-Universities’ shall be subject to further conditions that:

a. A relevant Resolution must be adopted by the Board of Management of the Deemed-to-be-Universities in respect of use of the word ‘University’ in the name / nomenclature of the Institutes and conveyed to the Government of India.

b. The Memorandum of Association and Rules of the Institutes should be modified so as to incorporate the revised nomenclature of the Institution, wherever necessary, in the light of instructions of the UGC / Ministry of Human Resource Development, so that it is clear that the institution being renamed is the one that was notified earlier by the Government.
